

Turkey Citizenship By Investment

XIPHIAS Immigration | Residency - Citizenship & Corporate Services

About Turkey CBI

Applications for this program may be directed to Turkey Investment Office. This program is based on the Exceptional Acquisition of Citizenship Article 12 of Law No. 5901, which was enacted on July 28, 2016. The Turkey CIP, the most well-liked direct citizenship by investment program in the world, gives investors the flexibility to choose from a number of asset types. Since the program's minimum investment requirements were reduced in 2018, almost 13,000 individuals and their families have acquired Turkish citizenship.

Eligibility

- A clean criminal history check
- No terrorism or security-related concerns
- The ability to finance the necessary investment
- Capacity to supply necessary paperwork

Key Benefits

Investment Options

There are numerous investment alternatives for the Turkey Citizenship by Investment Program:

All amounts may be invested in Turkish Lira but investors need to be cautious of currency changes when making the investment. At the time of processing, the equivalent in US dollars must be provided.

- US\$400,000 worth of real estate
- US\$500,000 investment as a fixed capital contribution
- US\$500,000 investment in government bonds
- US\$500,000 real estate investment fund share or venture capital investment fund share

After citizenship is granted, any investment or property must be retained for at least three years.

Process

- 1 XIPHIAS assists in opening your Turkish bank account (2-3 days) using your passport and proof of address.
- 2 XIPHIAS files your application for a residence permit and completes the necessary paperwork.
- 3 After completing the qualifying investment, all of the money is sent to the Turkish bank account.
- 4 For submission, XIPHIAS prepares, apostilles, and interprets the necessary paperwork.
- 5 Your complete citizenship application is submitted by XIPHIAS, which also handles all follow-ups until approval (90-120 days)

Step beyond boundaries
