Overview

Approved real estate in Grenada qualifies at **USD 220,000** for projects approved under that price option, or **USD 350,000** for projects that are not, plus a **USD 50,000 government fee**.

Government fees

From the Citizenship by Investment Committee's schedule of fees:

- Government fee: **USD 50,000** for a single applicant, a couple or a family of up to four, plus **USD 25,000** for each additional dependant.
- Application fee: **USD 1,500** per person.
- Due diligence: **USD 5,000** per person aged 17 and over; nil for children aged 0 to 16.
- Processing fee: **USD 1,500** per person aged 17 and over; **USD 500** under 17.

The holding period, processing time and dependant age limits are confirmed in writing with the Committee for each file before submission.

Travel access today

Here is where **Grenada** stands today:

United Kingdom: visa-free, but you need an ETA. Since 8 January 2025 an electronic travel authorisation is required before travel. "Visa-free" without that qualifier is no longer accurate.

United States: a visa is required, as it is for every Caribbean CBI passport. Grenada is, however, the only one of the five Eastern Caribbean programme countries with a **US E-2 treaty** (in force 3 March 1989), and it is not listed in Presidential Proclamation 10998. Whether an individual qualifies for an E-2 visa is decided by US consular officers.

Canada: a visitor visa is required. None of the five Caribbean citizenship-by-investment countries has visa-free access to Canada.

On Schengen and the EU: access is currently in place, but the EU's revised visa suspension mechanism, adopted on 31 December 2025, makes operating a citizenship-by-investment scheme a self-standing ground for suspending visa-free travel. The European Commission wrote to Antigua & Barbuda in June 2026 seeking a phase-out, and an EU report is due in December 2026. Schengen access should not be treated as permanent.

What this does to an Indian passport

India does not allow dual citizenship. Section 9(1) of the Citizenship Act 1955 provides that a citizen of India who voluntarily acquires the citizenship of another country **ceases to be a citizen of India**. Acquiring any Caribbean citizenship is voluntary, so your Indian citizenship ends **automatically on the day it is granted** — no Indian decision, no discretion, no deferral. The Indian passport must be surrendered and a Surrender Certificate obtained.

You can then apply for **Overseas Citizen of India** status. The Ministry of External Affairs states plainly that OCI is not dual citizenship: no vote, no constitutional posts, no equality in public employment, and **no acquisition of agricultural land, farmhouses or plantation property in India**.

This is a **replacement** for your Indian citizenship, not an addition. Plan around that.

Key benefits

- Grenada is the only one of the five Eastern Caribbean CBI countries with a US E-2 treaty (in force 3 March 1989); individual E-2 eligibility is decided by US consular officers.

- A spouse, dependent children and dependent parents can be included in one application.
- Asset-backed route: the qualifying investment is held in a government-approved project.

Questions clients ask

Are fees flat for families?

Partly. The USD 50,000 government fee covers a single applicant, a couple or a family of up to four, with USD 25,000 for each additional dependant. The USD 1,500 application fee applies to every person; due diligence (USD 5,000) and the USD 1,500 processing fee apply to each person aged 17 and over, and the processing fee is USD 500 under 17.

Is an interview mandatory?

Grenada's published guidance is not consistent on this point. XIPHIAS confirms the current requirement with the Citizenship by Investment Committee before filing.

Important notes

- Grenada's published guidance is not consistent on whether applicants are interviewed. XIPHIAS confirms the current position with the Citizenship by Investment Committee for every file before submission.
- Grenada publishes a single-applicant fund minimum of USD 150,000, below the USD 200,000 floor the Eastern Caribbean states agreed from 1 July 2024. Treat the lower figure as capable of changing at short notice.

- The real estate holding period, processing time and dependant age limits are confirmed in writing with the Citizenship by Investment Committee for each file before submission.
- Grenada's Citizenship by Investment Committee states there is no requirement to reside in Grenada before or after citizenship is granted (as at September 2026). XIPHIAS confirms the position before filing.
- Indian citizenship ends automatically on acquiring Grenadian citizenship.
