HOW TO READ THIS RANKING

Fit scores are directional signals from your profile and evidence — your dedicated readiness scorecard and the evidence-gap map that follow show exactly where to focus before filing.

ALTERNATIVES

Other routes worth weighing

Strong secondary high-skill options if your evidence, sponsorship, timing or target preference shifts.

FIT 46 · UNITED STATES

HOW TO READ FIT SCORES

Fit reflects how well a route matches your stated profile and evidence — not a guarantee of approval. The quantity and independence of your evidence, current rules and document consistency decide the outcome, which is why advisor verification comes before any filing.

EVIDENCE-GAP MAP

What to build before you file

The evidence categories that most move your top routes. Prioritise the items marked to build — these have the highest scoring weight for your profile.

EVIDENCE CATEGORY	STATUS	WHY IT MATTERS
National/international awards	To build	High-impact for your top routes; gather and document this evidence.
Critical role in notable organisations	To build	High-impact for your top routes; gather and document this evidence.
Publications or authored work	To build	High-impact for your top routes; gather and document this evidence.

Evidence still open across your shortlist

- ✓ Advanced degree or exceptional education
- ✓ National/international awards

ACTION ROADMAP

Your next four moves

A focused sequence to convert this ranked analysis into a filing-ready high-skill case.

1

Confirm your route

Review EB-1A Extraordinary Ability and the ranked alternatives with a XIPHIAS advisor, and lock your primary high-skill route and target.

2

Close the evidence gaps

Build the to-build items from your evidence-gap map — awards, publications, media, judging, critical role, salary or recommendation letters as relevant.

3

Package the evidence

Organise each criterion into a verifiable, well-labelled exhibit set with expert letters that explain impact and independence.

4

Validate & file

Advisor verifies current rules, timelines and criteria for your top route, then moves into petition drafting and filing coordination.

Risk & due diligence

EVIDENCE INDEPENDENCE**Show external recognition**

Extraordinary-ability and talent routes need recognition beyond your employer — independent awards, media and expert letters.

SPONSOR DEPENDENCY**Line up early**

Sponsor-based routes (H-1B, O-1A, L-1) need a confirmed employer or qualifying transfer before filing.

RULES CHANGE**Verify before filing**

Government criteria, caps and processing windows shift; confirm current rules at advisor review.

DOCUMENT CONSISTENCY**Avoid mismatches**

Inconsistent names, dates, titles or histories across documents cause avoidable delays and queries.
