US-specific risk & due diligence

RULES & FEES**Verify before filing**

USCIS fees, processing times and policy memos change; confirm current rules at advisor review.

EVIDENCE INDEPENDENCE**Outside recognition wins**

EB-1A and O-1A turn on recognition independent of your employer — not internal performance reviews.

H-1B CAP RISK**Lottery is not guaranteed**

H-1B selection depends on the annual cap lottery; build a self-petition fallback (EB-2 NIW / EB-1A) where you qualify.

RFE READINESS**Anticipate challenges**

Strong, consistent, well-indexed exhibits reduce Requests for Evidence and adjudication delays.
