- ✓ Cyprus Company Setup Program (Cyprus) — choose this if you need minimal physical presence (fit 76).

CONFIDENCE NOTE

Fit scores are directional signals based on your inputs and approved programme content. The final choice depends on current government rules, fees and the strength of your evidence — all confirmed at advisor review before any filing.

DECIDE WITH CONFIDENCE

Your decision checklist & action plan

The questions to settle, and the sequence to convert your choice into a confirmed route.

Decision checklist

- ✓ Confirm which single factor matters most: cost, speed, mobility, stability, tax presence or business.
- ✓ Verify the current government fees, quotas and timelines for your lead option before committing.
- ✓ Confirm family inclusion rules and any dependant age limits for the route you choose.
- ✓ Assemble a clean, documented source-of-funds trail for any investment-based option.
- ✓ Check physical-presence and renewal obligations against your lifestyle and work plans.
- ✓ Lock your primary route with an advisor and keep a ranked backup from this shortlist.

Your next four moves

1

Confirm your priority

Settle the single factor that decides this choice for you, then re-read the side-by-side table through that lens.

2

Validate the lead option

Have a XIPHIAS advisor verify current rules, fees and eligibility for Portugal D2 Entrepreneur Visa.

3

Prepare your evidence pack

Assemble identity, civil, funds and profile documents tailored to the chosen route's requirements.

4

Begin your application

Move into documentation and filing coordination once the route and evidence are confirmed.
