

SINGAPORE

Residency By Investment

XIPHIAS Immigration | Residency - Citizenship & Corporate Services

About Singapore RBI

Singapore is one of the world's most stable and business-friendly nations, offering strong governance, low taxes, global connectivity, and a high quality of life. Its advanced infrastructure, innovation-driven economy, and strategic location in Asia attract entrepreneurs, investors, and global families. With world-class healthcare, education, and a secure legal framework, Singapore remains a leading hub for international business and long-term stability, supported by Xiphias Immigration.

Eligibility

- Be at least 21 years old.
- Commitment to a qualifying investment under approved GIP routes
- Proven entrepreneurial or investment background with a strong track record
- Demonstrated financial strength and net worth
- Clean legal, financial, and compliance history

Program Overview

Program Type

Residency By Investment

Minimum investment

From SGD 10 million

Processing Time

9–12 Months

Physical Presence Required

None

Key Benefits

- Obtain Singapore Permanent Residence in a matter of months.
- Include your spouse and children under 21 years for family PR.
- No strict physical presence requirements to maintain PR initially.
- Access Singapore's world-class infrastructure, healthcare, and education.
- Enjoy a stable economy, business-friendly environment, and strategic location in Asia.

Investment Options

1. Business Investment.

- Invest SGD 10 million in a new or existing Singapore business, suitable for experienced entrepreneurs focused on expansion and job creation.

2. Approved Fund Investment

- Invest SGD 25 million in a GIP-approved fund supporting Singapore-based companies through a diversified structure.

3. Single-Family Office (SFO) Route

- Establish a family office with SGD 200 million AUM, with a portion deployed into qualifying local investments for ultra-high-net-worth families.

Process

- 1 Prepare documents including personal identification, business/financial records, and source of funds
- 2 Apply under the Global Investor Programme (GIP) to Singapore's Economic Development Board (EDB).
- 3 Once approved, you receive AIP and have a set period to invest.
- 4 Complete the chosen investment option (business, fund, or family office).
- 5 Submit proof of investment and supporting documents; receive PR approval.
- 6 Apply for your Singapore Permanent Resident status and receive PR cards for eligible dependents.

Step beyond boundaries
and own your place in the world.
